

**DISTRICT OF UTAH  
TIMELINE  
GOING LIVE ON CM/ECF**

April 29, 2005	Docketing will stop by noon.  Imaging will be completed in the early afternoon.  Conversion of the database will begin.
April 30, 2005	Conversion continues.
May 1, 2005	Testing by court personnel
May 2, 2005	All non docketed filings from Friday and the weekend will be imaged and docket clerks will begin to docket in CM/ECF  Chambers will continue to receive judges' copies.  Chambers and attorneys on email noticing will receive NEFs as the docket clerks docket filings.  Chambers can utilize docket text orders, send notices in CM/ECF and docket orders.  PACER - there will be a new PACER system based on CM/ECF. Images may not be fully available for approximately one week.  Images will take a few days to load into CM/ECF. We will begin with the 2004 cases, then do the 2003, 2005, 2002 and then load all the rest of the images.
