

**UNITED STATES DISTRICT COURT  
DISTRICT OF UTAH**

Office of the Clerk of Court

**NOTICE TO MEMBERS OF THE BAR AND PUBLIC**

The United States District Court for the District of Utah will relocate to the new Courthouse between April 4 and April 13, 2014. Full operations in the Frank E. Moss Building will cease on April 4, 2014 and resume on April 14, 2014 at the new location.

There will be no regular court proceedings during the interim. Telephone services will be disrupted, beginning on the evening of April 3, 2014. It is anticipated that email services will be the best means of communicating with the court on Friday, April 5, 2014.

The clerk's office will supply minimal services at the intake office of the United States Bankruptcy Court, Room 301 from April 7<sup>th</sup> through April 11<sup>th</sup>, 2014. Messages for chambers can be left at that location.

CM/ECF services should continue without interruption so attorneys and the public will have access to court dockets through the PACER system and electronic filing will be generally available throughout the move process. The 24 hour box at the Moss Courthouse may be used during the move period for pleadings to be filed in paper. The box will be dismantled when the clerk's office has relocated to the new courthouse.

Please consult the court's website [www.utd.uscourts.gov](http://www.utd.uscourts.gov) for further updates on the move process.
