UNIFORM FINE/BAIL SCHEDULE

PURPOSE

It is the intent of the Uniform Fine/Bail Schedule to provide assistance to the sentencing judge in determining the appropriate fine or bail to be assessed in a particular case and to minimize disparity of fines/bails imposed by different courts for similar offenses. This schedule is not intended to deprive nor minimize the authority of the court to impose a sentence deemed just in the discretion of the judge.

ASSUMPTIONS

The penalty for all public offenses should include a financial sanction as a minimum base from which the judge may determine the total sentence, dependent upon aggravating and/or mitigating circumstances of an individual case.

The cumulative effect of appropriate penalties such as probation, community service, surcharges, restitution, victim reparation, rehabilitation treatment programs, home confinement, court costs and periods of incarceration, should constitute the total sentence.

The enhancement or reduction to the basic fine should reflect the severity of the offense, the extent of victim injury or property damage loss, the risk which the offender poses to society, the offender's criminal and person history, and related factors. (Specific aggravating and mitigating circumstances are set forth on page vii.)

CJA Rule 4-701(1) The \$50 bail increase assessed, when the delinquent notice is sent to the defendant for failure to appear within 14 days, should include the same percentage surcharge as the offense charged when forfeited to fine.

CJA Rule 4-701(2) The \$75 bail increase, assessed when the defendant has failed to appear or pay bail within forty days of the date of citation and a warrant is issued, should include the same percentage surcharge as the offense charged when forfeited to fine.

APPLICATION

Bail Column

The bail column is used to set bail to ensure the defendant's appearance. This amount is also used when the defendant is not required to appear in court and will voluntarily forfeit the bail to dispose of the case. The applicable surcharge has been added to all bail amounts where a surcharge is to be assessed.

Note: A \$7.00 fee in addition to the bail amounts shown should be added in courts of record to offenses under Title 41. This fee is for the courts complex account. ~~78-7-35~~ 78A-2-301.

Also, Beginning July 1, 1998 and ending on July 1, 2007, all courts in Salt Lake County shall collect an additional \$10.00 traffic surcharge. The entire traffic surcharge shall be paid to the local government. If payment in full is not received in a court of record, the payoff order is: Surcharge, Traffic Surcharge, Fine. If payment in full is not received in a court not of record, the payoff order is concurrent.

Surcharge

63-63a-1, U.C.A. provides that "A surcharge shall be paid on all criminal fines, penalties and forfeitures imposed by the courts. The surcharge shall be 85% upon conviction of a felony, class A misdemeanor, violation of Article 5, Chapter 6a, Title 41, Driving While Intoxicated and Reckless Driving, or any class B misdemeanor not classified within Title 41, including violation of comparable county or municipal ordinances. The surcharge shall be 35% upon conviction of any offense, including violation of county or municipal ordinances not subject to the 85% surcharge, except:

- (a) non-moving traffic violations; and
- (b) when the court orders the offender to perform community service work in lieu of paying a fine.

No surcharge should be imposed in non-moving traffic offenses. If an offense is considered "non-moving," this is indicated in the "comments" column. The Uniform Fine/Bail Committee has the responsibility to define which offenses are moving and which are non-moving. They have established definitions as follows: Moving violations involve an act or omission dealing with the actual driving of the motor vehicle, e.g.: failure to yield, speeding. Non-moving violations encompass status or conditions of the vehicle or driver license violations, e.g.: not registered, not licensed, broken equipment.

See charts starting on page xii to assist in figuring the surcharge.

Security Surcharge

63-63c-101, U.C.A. provides that a \$25.00 security surcharge in addition to the bail amounts shown should be added in courts of record: "In addition to any fine, penalty, forfeiture, or other surcharge, a security surcharge of \$25 shall be assessed in all courts of record on all criminal convictions and juvenile delinquency judgments. The security surcharge may not be imposed upon: nonmoving traffic violations, community service; penalties assessed by the juvenile court as part of the nonjudicial adjustment of a case under Section ~~78-3a-502~~ 78A-6-602."

~~78-5-446.5~~ 78A-7-122, U.C.A. provides that a security surcharge of \$32 shall be assessed on all convictions for offenses listed in the uniform bail schedule adopted by the Judicial Council and moving traffic violations.

The security surcharge shall be allocated as follows:

the assessing court shall retain 20% of the amount collected for deposit into the general fund of the governmental entity; and 80% shall be remitted to the state treasurer to be distributed as follows:

62.5% to the treasurer of the county in which the justice court which remitted the amount is located;

25% to the Court Security Account created in Section 63-63c-102; and

12.5% to the Justice Court Technology, Security, and Training Account created in Section ~~78-5-446.7~~ 78A-7-301.

FTA/FTC Column

The FTA/FTC column in the Uniform Bail Schedule pertains to several different laws.

FTA - Failure to appear - Driver has not made contact with the court for a citation issued to them. As soon as court approved contact is made with the court a clearance should be sent to Driver License Division.

FTC - Failure to Comply - Driver has not followed through with what was ordered by the court. Clearance should not be sent to DLD until the driver has complied with everything. Driver License Division will only suspend once for the FTC.

Utah - Licensed Driver

If a Utah-licensed driver fails to initially appear or pay a fine on a violation with a "Y" in the FTA/FTC column then a request can be made to the Utah Driver License Division to suspend the violator's license. This request must be made within three years from the date of the citation for the Division to act on that request.

A license suspended because of either failure to appear or failure to comply in Utah will remain suspended for 10 years.

Nonresident Violator Compact

At the present time the following states are not members of the Nonresident Violator Compact (NRVC) and will not act on a request to suspend the drivers license of a person issued a traffic citation in the State of Utah who fails to appear or contact the court on the citation: Alaska, California, Michigan, Montana, Oregon, and Wisconsin.

The rest of the states, including the District of Columbia, are members of this compact and, with the exception of the following traffic offenses, will act on a request to suspend a driver license if this request reaches the home state within six months of the date of the violation:

1. Those offenses requiring a mandatory appearance under section 77-7-22, U.C.A., such as driving under the influence, failure to stop in event of an accident causing death, personal injuries, or damage to property, and those offenses that the directors of the compact have determined to require a mandatory appearance such as driving on suspension, driving on revocation, etc.
2. Parking or standing violations.
3. Highway weight limit violations.
4. Violations of the law governing the transportation of hazardous materials.

Since a request under the NRVC must reach the home state within six months it must be received by the Utah Driver License Division no later than 5 months after the issuance of the citation, but sooner would be preferable in case there are problems. There is no FTC in the NRVC, only FTAs. If partial payment is accepted by the court, that constitutes an appearance and the court

cannot issue an FTC against an out-of-state driver like they can against a Utah driver.

Report to Drivers License Column

All of the states and the Canadian Provinces are members of the compact that shares information regarding convictions for traffic violations. If the convicted violator has a Utah, an out-of-state, or a Canadian driver license then a record of a conviction for an offense with a "Y" in the Report to Driver License Column should be sent to the Utah Division of Driver License Division within 10 days of the conviction or bail forfeiture. [See section 77-7-25, U.C.A., and section 53-3-218, U.C.A.]

A report of a plea held in abeyance for a Utah-licensed driver should also be reported. Report the final disposition information for the citation.

If a plea is held in abeyance for other than a Utah-license driver, do not report it to the Utah Driver License Division. Utah does not make a record of a plea in abeyance for an out-of-state or a Canadian driver and some of the other states and Canadian Provinces do not have a plea in abeyance provision and will record the report as a conviction. Therefore do not send in report for pleas held in abeyance for drivers not licensed in Utah.

Overweight Violations

The assessing court shall retain the first \$50 of the fine for offenses under 72-7-404 and 72-7-406. The remainder of the fine shall be paid in accordance with U.C.A. 78-5-416 78A-7-120.

Sentencing

The felony matrix and misdemeanor matrix are guidelines for setting FINE after adjudication of a case requiring a mandatory appearance. The matrices include a broad range of fines from the statutory maximum to a base minimum within each category of offense. They are to be used in conjunction with the criminal history assessment criteria, which are listed below. From the base financial sanction in each category, the schedules provide an escalation of the fine in correlation with the points accumulated in the criminal history criteria. The matrices also specify where incarceration is likely to be appropriate in addition to the fine. Presentence investigation reports, prepared by Adult Probation and Parole Division, will include the criminal history data necessary to place the defendant's case on the matrix.

Note: The fine guidelines used in the matrix do not include surcharge. The surcharge must be assessed in addition to this amount.

Application to Adults/Juveniles

Effective July 1, 1994 the Judicial Council approved a separate Bail Schedule for the Juvenile Court. This Bail Schedule then only applies to adults, although the two Bail Schedules are the same with respect to the minors charged with minor traffic violations. Copies of the separate Juvenile Bail Schedule can be obtained from the Administrative Office of the Courts.

Justice Courts - Payment of Fine

When fine payments are made over time, the last payment may need to be adjusted so that the correct amounts are paid to the fine and surcharge.

For example, the fine including surcharge for a Theft Class B Misdemeanor charge is \$555. The breakout would be fine - \$300.00 and surcharge (85%) - \$255.00. The defendant pays \$100 over the next five months and \$55 the last month. The court splits each payment according to the payment percentages. \$54 is kept by local government and \$46 is sent to the state for surcharge. The \$55 is broken out \$29.73 to fine and 25.27 to surcharge. The payments total - fine \$299.73 and surcharge \$255.27. In order for the amounts paid to equal the amount due, the last payment should be adjusted with \$30 being kept and \$25 sent to the state. This now matches the original receivable.

	<u>Not Adjusted</u>		<u>Adjusted</u>	
	Fine	Surcharge	Fine	Surcharge

AGGRAVATING AND MITIGATING CIRCUMSTANCES

Aggravating Circumstances

Consider aggravating circumstances only if they are not an element of the offense.

1. Established instances of repetitive criminal conduct.
2. Offender presents a serious threat of violent behavior.
3. Victim was particularly vulnerable.
4. Injury to person or property was unusually extensive.
5. Offense was characterized by extreme cruelty or depravity.
6. There were multiple charges or victims.
7. Offender's attitude is not conducive to supervision in a less restrictive setting.
8. Offender continued criminal activity subsequent to arrest.
9. Other (specify)

Mitigating Circumstances

1. Offender's criminal conduct neither caused nor threatened serious harm.
2. Offender acted under strong provocation.
3. There were substantial grounds to excuse or justify criminal behavior, though failing to establish a defense.
4. Offender is young.
5. Offender assisted law enforcement in the resolution of other crimes.
6. Restitution would be severely compromised by incarceration.
7. Offender's attitude suggests amenability to supervision.
8. Crime victim does not want defendant to be incarcerated.
9. Offender has exceptionally good employment and/or family relationships.
10. Imprisonment or amount of fine would entail excessive hardship on offender or dependents.
11. Other (specify)

CRIMINAL HISTORY ASSESSMENT

The attached criminal disposition matrix classifies a person's criminal history in 5 categories from excellent (0-3 points), good (4-7 points), moderate (8-11 points), fair (12-15 points), and poor (16-28 points). The appropriate classification is determined by scores obtained by summing points assessed in each of the six criteria as follows:

1. Prior Felony Conviction(s); up to 8 points if a person has more than 3 felony convictions.
2. Prior Misdemeanor Conviction(s); up to 4 points if a person has more than 7 misdemeanor convictions.
3. Prior Juvenile Referrals; up to 4 points if the person was committed to a secure facility or 3 points if the collection of felonies and misdemeanors exceeded 4 counting felonies as 1 and misdemeanors as 1/3.
4. Supervision History; up to 4 points depending on the prior level of supervision in either the juvenile or adult system and revocation history.
5. Supervision Risk; up to 4 points based on previous reporting, absconding or escape history.
6. Weapons Enhancement; up to 4 points based on the use of weapons.

Total possible points are 28, least possible 0. Aggravating and mitigating circumstances are also a part of the sentence and release guidelines.
