Pursuant to federal law you are required to complete a Qualification Questionnaire **within 10 days** of receipt of this letter. Please submit your answers on-line using eJuror (instructions provided on the backside of this summons). Our eJuror application can be found at our website www.utd.uscourts.gov. Please include an email address and phone number so that we may reach you regarding your jury service. Your term of service is an “on-call” term of two (2) months. **This does not mean that you will be reporting every day for two months, however; you may be called at any time during that period. You will receive a NOTICE TO APPEAR via email or mail, 10-12 days prior to your reporting date.** Your name was selected randomly from the registered voters in Utah. The jurisdiction for the United States District Court includes **every** county in the state of Utah, you are summoned for the Central Division. The Courthouse is in Salt Lake City; travel may be required for your jury service. You will receive compensation for your service as a juror, as well as mileage and subsistence where applicable.

At this time, persons may only request to be excused from jury service if you are: (1) A person who is over 75 years of age; (2) A person who has served as a state or federal juror in the past two years; (3) A person who is caring full time for either (i) children under 10 years of age, or (ii) aged or infirm persons, whose health and/or safety may be jeopardized by the absence of such person for jury service; (4) A person so essential to the operation of a business that it must close or cease to function if such person is required to perform jury service; (5) A person serving as a volunteer in a public safety agency (6) A person residing in an area where private or public transportation to the place of holding court is not readily available. You may be asked if you have a potential hardship serving on a lengthy trial, and if so, you will need to explain in detail your hardship. **Even if you are eligible to request an excuse, you must still complete the eJUROR Qualification Questionnaire, which will allow you to request to be excused from jury service.**

Please do not telephone the court or send letters requesting to be excused in lieu of completing the Qualification Questionnaire. Jurors who fail to respond to the jury summons may be found in contempt of court, penalties range from \$1000 fine and/or three days in jail.
