I. GENERAL INFORMATION

A) OVERVIEW

Every case-initiating document filed by an attorney in the District of Utah must be filed electronically, **except: (a) in criminal cases, (b) in sealed cases, and (c) where leave to file the case under seal is sought.** Case-initiating documents that must be filed electronically include:

- Complaints
- Notices of Removal
- Motions to Vacate, Set Aside, or Correct Sentence
- Motions to Withdraw Bankruptcy Reference
- Petitions for Writ of Habeas Corpus
- Requests for Appointment of Counsel/Stay of Execution (Capital Habeas Corpus Petitions)
- Registrations of judgments from other districts
- Motions to quash, modify, or enforce subpoenas from other districts
- Notices of receivership pursuant to 28 U.S.C. § 754
- Petitions to quash a third-party IRS summons

All other documents required to be filed concurrently with the case-initiating document must also be filed electronically. Any filing fee that is required must be paid online at the time the case-initiating document is filed, unless a request to proceed *in forma pauperis* is filed concurrently.

¹ Certain proceedings that are administrative or otherwise ancillary to civil actions are processed by the Court as “miscellaneous” cases, not as civil cases. The case number assigned will reflect the type of case (e.g., “14-cv-56789” vs. “14-mc-56789”).

Electronic Case Opening User Manual

To file a document electronically – including a case-initiating document – an attorney must be a registered CM/ECF user. Registered CM/ECF users are reminded of their obligation to keep their personal contact information current – especially the e-mail address, to ensure receipt of electronic notice.

In preparation for filing case-initiating documents electronically, it is strongly recommended that attorneys and support staff review both this Electronic Case Opening User Manual and the training videos available on the Court’s website at <https://www.utd.uscourts.gov/cmecf-electronic-case-filing>.

B) BEFORE OPENING A NEW CASE

Familiarize yourself with all instructions in this Electronic Case Opening User Manual (“Manual”).

Prepare the following documents for filing:

- Case-Initiating Document (Complaint)
- Civil Cover Sheet (if applicable)
- Summons (if applicable)
- Corporate Disclosure Statement (if applicable)
- Motion to Proceed In Forma Pauperis (if applicable)
- Application of Non-Resident Attorney to Appear in a Specific Case *Pro Hac Vice* (if applicable)
- Motion for Temporary Restraining Order (if applicable)
- any other necessary case-specific documents

During the case-opening process, you will receive your case number; add your case number to these documents, and, if not already in PDF format, convert them to PDF using your word processing program (DO NOT SCAN).

Have your credit card available for the payment of filing fees, unless you are filing a case in which no fee is required or are filing a Motion to Proceed In Forma Pauperis.

C) OPENING A NEW CASE

The electronic case-opening process consists of two steps. You must complete BOTH STEPS:

1. Open the case by providing sufficient information about the case for CM/ECF to create a docket; AND
2. File the Complaint.

If you complete step (1) but do not complete step (2), your case will be closed.

Detailed instructions for each of these steps are included in this Manual.

To successfully open a case electronically:

- Complete the entire process as instructed in this Manual.
- Enter all necessary information on all CM/ECF screens.
- Docket the lead event and upload all PDF documents.
- Enter all necessary information on the Pay.gov screens.
- DO NOT click the back button once you begin the process.
- DO NOT electronically open cases that should be filed under seal, or upload documents that should be filed under seal.
- DO NOT attempt to open the same case twice.

In using CM/ECF to open your case electronically, please understand that CM/ECF was originally optimized for internal court use; allowing attorneys to open cases electronically requires that attorneys be given access to parts of the program not initially set up for use by the public. This means that some drop-down menus may contain choices that will never be applicable to you in opening a case, and that some fields are for internal use only, and should be left blank by you during the case-opening process.

D) AFTER OPENING A NEW CASE

Certain supporting documents, such as your Civil Cover Sheet if not attached as an exhibit to the complaint, must be filed immediately after filing your complaint. (See Section IV, below, for additional information.) If you intend to seek a TRO, file your motion immediately after case opening. However, **do not file any subsequent motion** until judges have been assigned to your case.

Electronic Case Opening User Manual

You will receive a case number during the case opening process, but judges will not be assigned to your case until after court staff have reviewed your case-initiating documents. For most cases, this process should be completed within 1-2 business days of case-opening. In some miscellaneous cases no judge is assigned. You will receive a Notice of Electronic Filing through CM/ECF when a Notice of Assignment is filed in your case.

E) ASSISTANCE AVAILABLE

On the below screen (Figure 3), you will be prompted to select from drop-down menus for “Office” and “Case type.”

1. Make sure Case type is on “cv”.

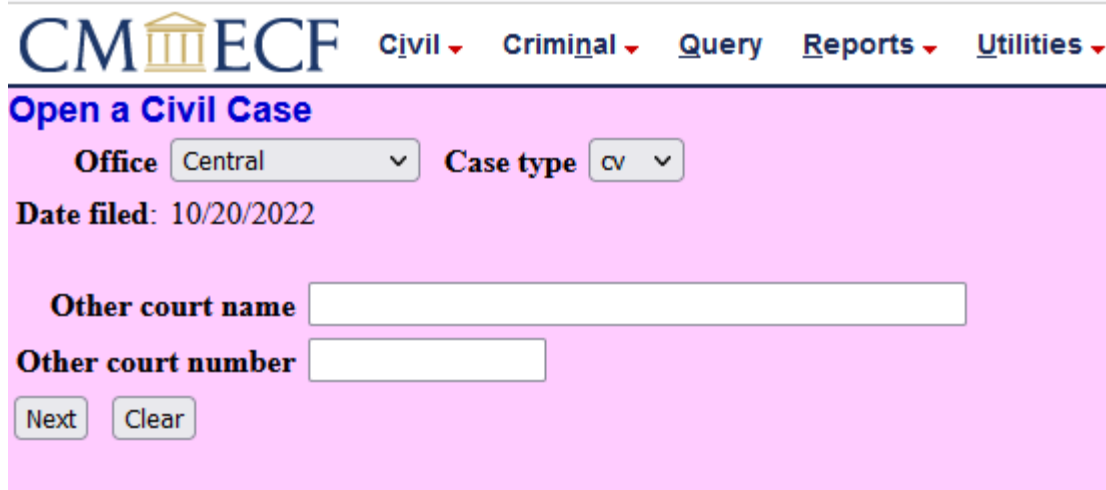

Figure 3

The “**Office**” drop-down menu provides three choices, equivalent to the three divisions of the Central District:

- **Northern Division** – Box Elder, Cache, Davis, Morgan, Rich, Weber
- **Central Division** – Carbon, Daggett, Duchesne, Juab, Salt Lake, Summit, Tooele, Uintah, Utah, Wasatch
- **Southern Region** – Beaver, Emery, Garfield, Grand, Iron, Kane, Millard, Piute, San Juan, Sanpete, Sevier, Washington, Wayne

To make the correct choice for county and region, follow these three criteria:

1. In most cases, make your choice based on the residence of the first-named plaintiff.
2. Where the United States is a plaintiff, make your selection based on the residence of the first-named defendant
3. In land condemnation cases, use the county where the property is located at issue

The appropriate division for your case is determined by the Court’s General Orders and local rules. You may not choose a division based on your personal preference; you must select the division based on the county. The following link also shows you the divisions based on county:

<https://www.utd.uscourts.gov/general-information#Court%20Divisions>.

Select the division from the “**Office**” drop-down menu (see Figure 4):

A black upward-pointing arrow is overlaid on the 'mc' text, indicating it should be changed to 'cv' (Civil Case). The bottom screenshot shows the same interface, but the 'Case Type' dropdown menu is now set to 'cv' (Civil Case). The interface includes a search bar for parties, a 'Create Case' button, and a 'Collapse All' button. B) ADDING PARTIES

Before adding parties, please keep in mind the following points:

- Do not alter the “Start date” or “Notice” fields.
- If a minor is involved do NOT add them as a party unless it’s an exception in FRCP Rule 17(c).

Party Name

You will now be asked to enter the name of each party named in the complaint. This process will create the online docket for your case.

The first step in adding a party is to run a search to see if that party is already in

Electronic Case Opening User Manual

the Court's CM/ECF database. Large corporations, especially, may have been involved in prior litigation, which means that their information will already have been added to the system. **Please do not create a duplicate entry for a person or company with an existing record in the database.**

1. The "Search for a party" section in the right pane of the screen shown in Figure 19 is where to begin the process of adding parties to a case.

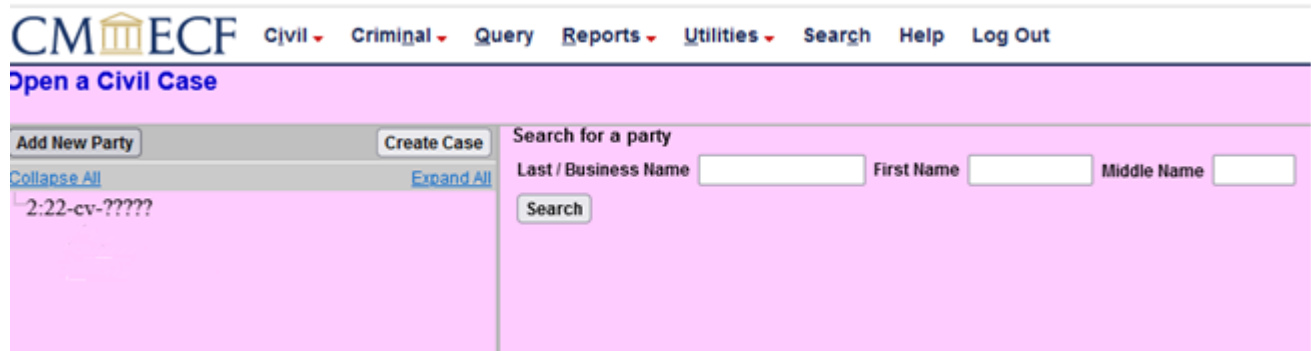

Figure 19

2. Add each party in the order in which they appear in the caption of the complaint.
 - a. If there is an "In re" party, enter the information for that party first.
 - b. Only add a Doe party if the Doe party is the only party.
 - c. If the party is an individual, enter the last name in the "Last/Business Name" field and the first name in the "First Name" field
 - i. If the party name is only first and last initial (e.g. B. L.) you MUST put the period after the letter. (Figure 20):

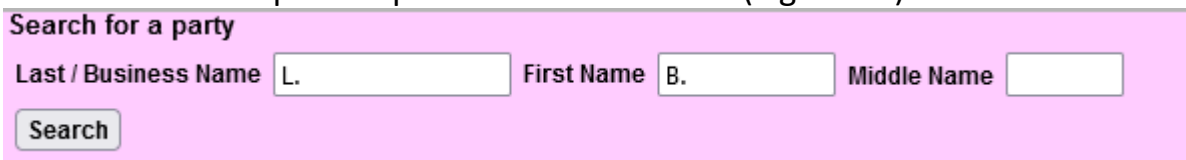

Figure 20

- d. If the party is a corporation put the full name in the "Last/Business Name" field. (Figure 21):

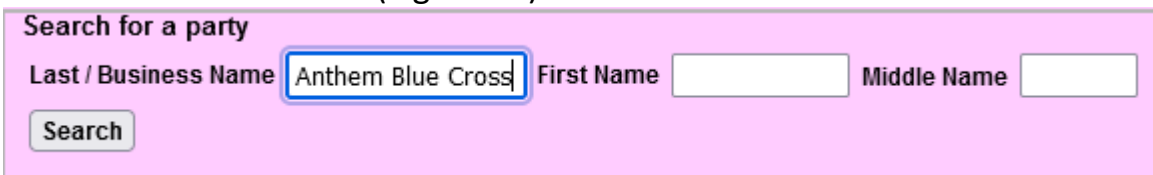

Figure 21

- e. Use upper and lower case letters to input names (e.g., "Jane Doe" or

“XYZ Corporation”).

- f. DO NOT USE ALL CAPS.
3. Do not use the apostrophe, hyphen, or dash characters in any party name or address field.
 - a. Even if the correct spelling of a name includes one of those characters.

C) EDITING PARTY INFORMATION

After searching for, selecting, and adding all parties, the parties’ names will appear in the left pane, in the “participant tree.” (Figure 27). Parties added to civil cases will have control icons in the participant tree so the user can add aliases for the party during the case-opening process.

4. On subsequent documents, filed after judges have been assigned to your case, the case number should include the judge’s initials.

D) DOCKETING THE LEAD EVENT

You must now file and docket the complaint document, or “lead event,” to complete the opening of your new case. Otherwise, the case you just opened will be closed. See Section III, below, for instructions on how to file and docket the complaint.

III. INSTRUCTIONS FOR E-FILING THE Complaint

A) BEGINNING THE FILING PROCESS

After successfully opening a new case, you must file and docket the complaint, or “lead event” **within 3 business days**, otherwise the court will close the case. If you proceed directly to this step when opening a case, you may begin the docketing process by clicking “[Docket Lead Event](#)” on the screen in which your case is assigned a case number (Figure 31).

NOTE: The filing date will be adjusted to the date of the lead event if it is not filed the same day as the creation of the case.

Alternatively, you may begin the docketing process from the “Civil Events” Screen. Remember, however, that you must file and docket a case-initiating document after opening your case, or your case will be closed. If you do not proceed directly to this step when opening a case – perhaps you log out of the system briefly while adding your new case number to the case-initiating document, you are about to file – you must resume the docketing process as soon as possible.

To resume the docketing process after logging out of the system, log in to CM/ECF, and click “Civil” on the menu bar at the top of the CM/ECF screen; this will take you to the “Civil Events” screen. On the “Civil Events” screen (Figure 32), under the “Initial Pleadings and Service” Category, click on “[Complaints and Other Initiating Documents](#).”

Figure 32

B) SELECTING THE LEAD EVENT

Whether you proceed to the docketing process directly after opening a case through the “[Docket Lead Event](#)” link shown in Figure 31, or through the “[Complaints and Other Initiating Documents](#)” link shown in Figure 32, you will next see a version of the following screen (Figure 33):

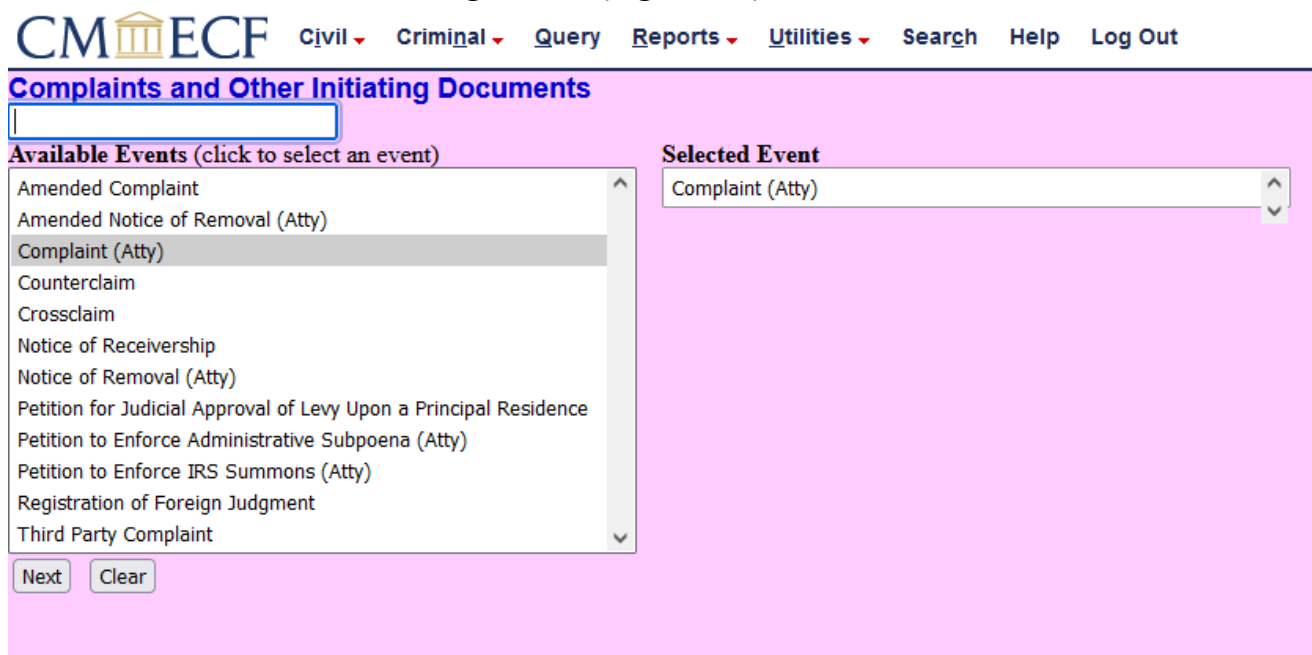

Figure 33

On this screen (Figure 33), you will see a list of “Available Events.” You must choose “Complaint,” then click “NEXT.”

Below this is a section titled "Complaints and Other Initiating Documents". Under this section, there is a label "Civil Case Number" above a text input field. The input field contains the text "2:22-cv-21". Below the input field are two buttons: "Next" and "Clear".

D) ASSOCIATING THE FILING ATTORNEY WITH THE FILING PARTY

1. The system allows only the attorney whose CM/ECF login and password are being used to file the complaint to be associated with the case.
2. Once the complaint is filed, additional attorneys who wish to appear on the docket as counsel of record for a specific party may file a "Notice of Appearance."
 - a. **This is not required for attorneys listed on the complaint, all of whom will eventually be added to the docket by court staff even if no**

separate Notice of Appearance is filed.

3. If an attorney uses his or her own CM/ECF login to file a Notice of Appearance, that attorney will be added to the docket immediately and will receive electronic notice of all filings from that point forward. Otherwise, there may be some delay.
4. Refer to the Court's website at <https://www.utsd.uscourts.gov/attorneys> for additional information.
5. The filing attorney must be associated with a party as counsel of record when the complaint is filed.
6. Select the filing party on the screen shown in Figure 36.
7. The next screen (Figure 37) will display a warning that "the following attorney/party associations do not exist."
8. The box on the left-hand side of the page must be checked for each party the filing attorney represents.
9. If that attorney wants to be identified as lead counsel on the docket sheet, click the "Lead" box to the right.
10. The "Notice" box on the right should be pre-populated with a checkmark

In brief, upload your Complaint as your “Main Document,” upload any exhibits to that document as “Attachments” to the Main Document, and the Civil Cover Sheet if applicable. ***The following documents should be filed separately and not added as Attachments:***

After you have opened your case and filed your case-initiating document, it will be subject to review by the Clerk. Upon the completion of this quality review process, judges will be assigned to your case in accordance with the General Orders of the Court. (In civil cases, judges will be assigned immediately; in some miscellaneous cases, judges may not be assigned at all.) When judges are assigned, a Notice of Assignment will be filed in your case, and a NEF for this filing will be sent to you by email. Upon receipt of a Notice of Assignment, you must immediately deliver any chambers copies of all previously filed documents in your case to the assigned judge(s) if required by that judge's chambers. See the court's [website](#) for the judge's preferences.

B) MOTIONS

C) FILING OF OTHER CLAIM-INITIATING DOCUMENTS

All amended complaints and other claim-initiating documents must also be electronically filed. This includes third-party complaints, amended complaints, complaints in intervention, counterclaims, and crossclaims.

If you file a claim-initiating document that adds new parties to your case, you must follow the directions for adding parties set forth in Section II.D., above.

Submit a proposed Summons for each defendant, on Form AO-440 (Summons in a Civil Action) or Form AO-441 (Summons on Third-Party Complaint), which are available from the Court's website at <https://www.utd.uscourts.gov/usdc-forms>.
