U.S. DISTRICT COURT

Payment to Proper Payees/Victims from
the Unclaimed Funds Account

2013 MAR 21 P 1:20
General Standing Order 2013-1
DISTRICT OF UTAH

BY: _____
DEPUTY CLERK

The Clerk's office through its normal course of business, and pursuant to the policies outlined in the Guide to Judicial procedures, transfers money from the Deposit and Registry funds to the Unclaimed Funds account. This occurs as checks are returned by mail, as checks are not cashed, or as a regular effort mandated by The Guide to clear out stale accounts where a good address for payees/victims cannot be found.

After funds have been moved to Unclaimed Funds, further efforts to produce a good address or direct requests allow the court to make payment to payees/victims from Unclaimed Funds.

IT IS HEREBY ORDERED that this Standing Order allow the Clerk's office to make payments to payees/victims from Unclaimed Funds as good addresses are attained and properly documented.

Dated this 21st day of March, 2013.
