

UPDATE CONTACT INFORMATION

- ✓ PACER and the District of Utah CM/ECF filing accounts must be linked.
- ✓ All account information, other than secondary email addresses, is updated in PACER. Secondary email addresses are only added and updated through the District of Utah CM/ECF system.
- ✓ Both primary and secondary email addresses are used for Notices of Electronic Filing (NEFs).
- ✓ It is recommended that all accounts include a primary email address and at least one secondary email address for the purpose of receiving NEFs.
- ✓ Updating your contact information in PACER will not notify case participants of any changes to your contact information in your active cases. You will need to file a Notice of Change of Address in CM/ECF.
- ✓ It is the attorney's responsibility to keep account information current.
- ✓ **Sharing PACER account credentials with third-party service providers or designating providers as a secondary recipients of Notices of Electronic Filing (NEF) will grant access to restricted case information and documents, which could be in violation of court orders. Your PACER contact settings must keep restricted documents and other information protected consistent with court orders, the Federal Rules of Civil and Criminal Procedure, and the District of Utah Local Rules of Practice. Fee exempt users may not share the documents they obtain from PACER under the exemption unless expressly authorized by the court.**
- ✓ Please contact the Clerk's Office at 801-524-6100 with any questions.
