GENERAL ORDER 14- 001

The relocation of court operations into the new Courthouse will necessitate a disruption in ordinary court operations. All efforts have been made to minimize these disruptions but members of the bar, litigants and the public will, by necessity, be inconvenienced during the move.

There are to be no regular court proceedings during the week of April 7 through April 11, 2014. Only emergency proceedings will be conducted. All scheduled case deadlines which would expire during the move period from April 5 through April 13 will be extended to April 14, 2014 unless otherwise ordered by the presiding judge in a specific case. Criminal fine and restitution payment deadlines will be extended.

The clerk's office will coordinate with the clerk's office of the bankruptcy court to provide essential services and maintain a point of contact during the move period. Telephone and email services may be intermittent during the move. CM/ECF service may also experience some period of downtime.

IT IS SO ORDERED this 5th day of March, 2014
