INITIATING A NEW CIVIL CASE

Because initiating a new civil case involves entry of parties into CM/ECF, it is not possible to initiate a civil case and file a complaint without preparatory contact with the District of Utah Clerk's Office. After preparations, a complaint may be e-filed through CM/ECF, which will temporarily re-direct the filer to Pay.gov to pay the filing fee. If a party prefers to pay the filing fee by check, at the clerks office, the party may still e-file the complaint. If the party chooses not to e-file, the opening document and cover sheet must be brought to the clerk's office in paper (original and copy) with a disc in PDF format. All documents on the disc must include an *electronic signature or the /s/ signature.*

The filing is not complete until the fee is paid and the complaint e-filed or filed by the clerk.

- E-mail PDF versions of the Civil Cover Sheet and the Complaint or Initiating document (i.e. Notice of Removal), with the parties listed, to:
Utdecf_clerk@utd.uscourts.gov
- The e-mailed complaint is for information purposes only and will not be filed by the clerk's office. The complaint must be filed by counsel as later indicated.
NOTE: *e-mailing* the complaint is NOT considered *e-filing* the complaint.
- New cases will be processed until 4:00 p.m., Mondays - Thursdays and until 3:30 p.m. on Fridays. New cases received after this time will be processed the following morning. Please keep this in mind when a deadline for filing a new case is approaching.
- A case number and judge will be assigned to the case.
- The Clerk's office will enter the case information into CM/ECF and add the parties.
- The Clerk's office will enter a "Remark - New Case" on the docket and a NEF will be e-mailed to counsel. The docket text will include the judge assigned to the case and direct counsel what CM/ECF filing event should be used to e-file the complaint or initiating document and to pay the filing fee by the end of the business day.
Those attorneys who have elected to receive the Daily Summary instead of individual NEFs will need to contact the Clerk's office to find out if their case has been entered, since they will not receive notification until the following day.
- The attorney must file the initiating document(s)* as soon as possible after receiving notification that the case has been opened.
- The court will not have jurisdiction until the opening document is electronically filed and the filing fee paid in the CM/ECF system.

- Once the complaint has been e-filed, any prepared pdf summons may be emailed to utdecf_clerk@utd.uscourts.gov for issuance electronically. The summons shall include the 1) case number and 2) judge initials as well as 3) the appropriate 21, 30 or 60 day response time. PDF summons will be issued electronically and entered on the docket. Attorneys may then print the summons from the NEF to use for service.

*Miscellaneous Cases: Once case information is placed into CM/ECF, counsel will be directed to file "Miscellaneous Case Filing Fee" to pay the filing fee. Once the filing fee has been successfully submitted, counsel will then file the initiating document, i.e. Motion to Quash.

Pro Hac Vice Revised Procedures

As of July 10, 2006, pro hac vice attorneys have the ability to file their motion and proposed order for pro hac vice admission **through their designated local counsel** and pay the required fee through Pay.gov

1. Local counsel will **receive** from pro hac vice counsel:
 - a. an [application for pro hac vice admission](#)
 - b. a [proposed order](#), in word processing format
 - c. pro hac vice counsel's credit card number

If paying by check, local counsel will be required to pay the fee at the clerk's office before e-filing the motion for pro hac vice with attachments a-c as shown above
2. Local counsel will **prepare** a motion for pro hac vice admission:
 - a. items a-b in step 1 will be attachments to the motion. For this purpose, the order should be converted to PDF format. Note that the order in word processing format is to be sent to the judge by e-mail.
3. If local counsel have not yet appeared on the case, they will e-file a **Notice of Appearance**.
4. Local counsel will then **e-file** the motion for pro hac vice admission along with the attachments shown in step 1, a-b and pay the fee.
5. Local counsel will **send the proposed order**, in word processing format, via e-mail to the appropriate judge for review and signature. The e-mail should be copied to all counsel and include the case name and title in the subject line.
6. The pro hac vice attorney must request e-filing privileges. The e-filing registration request will be approved after the court grants the motion. Without completing the online registration, pro hac vice attorneys cannot efile documents or receive electronic notifications of case activity.
7. Once the order is signed, it will be entered on the docket by the clerk's office and pro hac vice counsel will be added to the case.
